# CEAI Academy

The Consulting Engineers Association of India (CEAI) is the apex body of consulting engineers in India, representing the Indian consulting engineering fraternity at both national and international levels. CEAI is a Member Association of FIDIC, the global body for consulting engineers.

CEAI Academy, the training arm of CEAI, is dedicated to strengthening professional capabilities across the infrastructure sector through high-quality, practice-oriented programmes. It brings together leading practitioners, domain experts, and policymakers to deliver learning that is both relevant and impactful.

## About the Programme

CEAI Academy is organizing a comprehensive PMP® Certification Training Programme aligned with the latest PMBOK® Guide - Eighth Edition (2025) and updated PMI® Exam Content Outline (ECO 2026).

This intensive 5-day programme with 7 hours of training per day is designed to equip project professionals with the knowledge, tools, and practical insights required to successfully prepare for the PMP® certification examination while enhancing real-world project leadership capabilities.

The programme covers predictive, agile, and hybrid project management approaches, with a strong emphasis on governance, sustainability, stakeholder management, risk management, AI integration in project delivery, and value-driven project execution.

# Programme Objectives

Build a strong understanding of the PMBOK® Guide – Eighth Edition framework

Prepare participants for the updated PMP® examination

Develop practical project management competencies across predictive, agile, and hybrid environments.

Strengthen leadership, governance, stakeholder engagement, and risk management skills

Enhance understanding of sustainability and AI integration in project management

# Who Should Attend?

Project Managers

Assistant Project Managers

Planning Engineers

Consultants and Infrastructure Professionals

Engineers aspiring for PMP® Certification

Team Leaders and Functional Managers

Professionals managing large-scale infrastructure and engineering projects

Professionals seeking to upgrade project leadership and delivery capabilities

## Why Enrol

- ✓ Training aligned with the latest PMBOK® Guide – Eighth Edition
- ✓ 35 Contact Hours required for PMP® exam eligibility
- ✓ 7 hours of expert-led training each day
- ✓ Comprehensive coverage of predictive, agile, and hybrid methodologies
- ✓ Practical learning through real-world examples and case studies
- ✓ Expert-led sessions by experienced industry practitioners
- ✓ Exposure to emerging themes including sustainability and AI in project management
- ✓ Structured exam preparation and strategy guidance

## BUSINESS ENVIRONMENT, SUSTAINABILITY & EXAM READINESS

Business Acumen, Sustainability, Ethics,  
Mock Test & Exam Strategies

# About Faculty

**Gyanendra Singh**

**PgMP · PMP · PRINCE2 | Director – Projects**

Mr. Gyanendra Singh is a results-driven executive with 24+ years of end-to-end leadership across multi-billion-dollar EPC and BOT capital programs in India, UAE, Singapore, Saudi Arabia, Nigeria, Bhutan, and China. Proven track record spanning a ₹2000+ Crore infrastructure portfolio and USD 800M+ in offshore energy programs across many countries.

Recognized for building high-performance program offices, instituting executive governance frameworks, and driving commercial outcomes at scale – combining strategic vision with operational rigour to deliver complex capital assets in the most demanding environments.

## Certification

Participants who attend the programme will receive a Certificate of Participation from CEAI Academy.
